I, _____, will be performing all 30 hours of my service at Central High School. I understand this service must be performed **after school** only. This service must result in no other benefits (varsity status, extra credit, fulfillment of a grade/project requirement for a specific class, etc.) I understand all service time must be signed off by the teacher under which I served. I must serve at least 5 hours per club/teacher. My sponsor has the final say in what hours count. I understand this document must be uploaded to Google Classroom before the final deadline for hours and/or turned in to my sponsor by the deadline.
