**The 11th annual Give Kids Sight Day is on Saturday, October 10th - FREE vision screenings and eyeglasses for children ages 6 – 17!**

Sight Day is geared towards kids who did not have or did not pass an eye screening this year and who do not have health insurance.

**This year we are providing care virtually via tele-health, by appointment.** Vision screenings will be provided for 475 children from 9:00am – 5:00pm. Children who do not pass the screening will be scheduled for in-person eye exams at Wills, and those who need glasses will receive two free pairs.

**Our call center is now open! Call 215-563-5848 x21 to make an appointment for your child.**
