The Fourth Grade will receive Homework Monday thru Thursday evenings. Also students will receive a weekend packet of math and/or reading skills that need to be completed throughout the weekend. We believe that homework is essential to the learning process and should be done neatly and diligently. Please provide a quiet space for your child to complete all homework. Studying for proficiency is considered a portion of homework assignments and should be completed each evening also.

We will be following these Classroom Expectations this year:

- We are respectful and polite at all times.
- We will stay in our own personal space.
- We are prompt and prepared everyday.

Please reinforce all these expectations with your child over the coming weeks.

You will be able to meet all staff members of the A.B. Day School and visit your child's classroom to learn important information regarding their 4<sup>th</sup> Grade year, at our annual Back To School Night.

Once again we would like to let you know how excited we are to be working with your child this school year. We have an open communication policy with all parents so please do not hesitate to contact us with any questions, suggestions or concerns you may have.
