**Parent Involvement**

Parents and caregivers play a vital role in the education of their children. You are encouraged to participate in all school activities, workshops, conferences, and meetings. Your cooperation is an important part of your child’s progress. We encourage and expect you to support, promote, and work with your child in the following areas:

**ATTENDANCE:** Students are expected to be in school, on time, every day. Students who miss more than 9 days of school (1 day per month) may not be eligible to participate in trips and other special activities.

**HIGH EXPECTATIONS:** Believe that your child will do well in school

**BASIC SKILLS:** Communication, computation and reading

**DISCIPLINE:** Exercising self control

**STUDENT PROGRESS AND ACHIEVEMENT:** Follow up on interim reports, report cards, and conferences

**READ:** Please listen to your child read nightly for a minimum of 20 minutes

**PARENTAL SUPPORT:** You can participate in your child’s education by: Attending report card conferences and parent workshops, responding to written and telephone communications, setting appointments to meet with your child’s teacher

**Accurate and up-to-date information:** Parents should inform the school when there is a change in address or telephone number. The school sends important information by mail. If the school does not have a correct address, this information may not reach a student’s home. It is imperative that we have a correct phone number in case of an emergency. All students must have an emergency contact number on file in the main office.

**Home & School Association:** Our Home and School Association works diligently to keep our Parent Group active. The Home and School Association provides an excellent opportunity for parents to get to know AMY at James Martin School better. Your support of Home and School Association activities is greatly appreciated. Yearly dues are only $5 a year per family.

The announcement will state that “All Philadelphia Public Schools are closed or are dismissing at …… “. A specific school will be named only in the event that there is a problem at that school.

**Early Dismissals:** All students are expected to attend school for the entire day. **STUDENTS THAT ARRIVE AFTER 10:00 AM OR ARE PICKED UP BEFORE 1:00 PM WILL BE CODED FOR AN HALF-DAY ABSENCE.** When students leave early, they miss vital information that is necessary for their academic success. When it is absolutely necessary to pick up a child due to medical reasons, students must be officially signed out from the Main Office. Please consider the following reminders for Early Dismissals:

1. Students may not be picked up from their classrooms. The Secretary will contact the classroom teacher informing them of the dismissal. Telephone calls for early dismissals cannot be honored.

2. Students who leave school early must be signed out in the Early Dismissal Log Book located in the Main Office. **PROPER IDENTIFICATION MUST BE GIVEN (STATE ID)**

**Transportation:** Transportation no longer provides yellow bus service to AMY at James Martin for our regular education students. All students living over 1.5 miles away from the school will receive a transpass. Students are responsible for their transpasses. The school does not have extra transpasses on hand. It is the parents/guardians responsibility to provide transportation or replace a transpass if lost or stolen.

**Visitors:** Parents, relatives, and friends interested in the welfare of our students are always welcome. However, unnecessary interruptions interfere with instructional time. All visitors should report to the Main Office to receive a visitor’s pass and instructions from the secretary. Please keep your visitor’s pass with you at all times. The administration reserves the right to limit the number of visitors at one time.

**Counseling Services:** School Counselors are an important link between the students and the school. A student may visit the Counselor’s Office for assistance in many areas including personal concerns, social issues, etc. The AMY staff is fully aware of the needs of our students and we will do our best to serve both students and parents. If an appointment is needed, please feel free to contact the school at 215-400-7190.

**Health Services:** We are thrilled to have our nurse, Ms. Webster, with us everyday to attend to any student who has been injured or is ill. A student must receive a permission slip from their teacher to see the nurse. Any student who is sick will not be sent home unless accompanied by a parent or an adult authorized on the child’s Emergency Contact Form. The School District has mandated screenings and mandated physicals. You will
receive information regarding the screenings throughout the year from the Health Room. To reach Ms. Webster, please call 215-400-7190.

All students must comply with State and District health and immunization requirements. Failure to do so may result in exclusion from school,

**Curriculum and Instruction:** Children should be actively engaged in learning that is interesting, thought provoking. Making school student-centered involves building on the natural curiosity that children bring to school. Our teachers infuse child-focused curriculum that contains all the skills, knowledge, and concepts that our state, district, and society mandate. Teachers draw upon their deep understanding of children's needs and interests to design experiences that develop life-long learners. Students participate in thematic and in-depth research projects, experiments, and lessons that require critical thinking and problem solving. Using this model, we firmly believe that we can assist in the improvement of children's abilities and assessment scores.

**Preparation for Class:** Each student is expected to report to class with the required supplies. The teacher determines the required supplies for individual classrooms. Teachers will issue school textbooks within the first two weeks of school. Students are responsible for the care of issued materials.
**Textbooks & Educational Materials:** Textbooks are the property of the School District of Philadelphia and AMY at James Martin School. Students assume full responsibility for the care of these materials on loan. Books will be issued by classroom teachers and must be returned to the same teacher at the conclusion of the school year or withdrawal from AMY. In the event of lost and/or stolen books, students will be fined at a cost of $75.00 for used books and at a cost of $100.00 for new books.

Lost books due to theft or other circumstances will not be accepted as an excuse for non-payment or for not completing class assignments. If a textbook is lost, you will be required to pay for that book before another one will be issued. Also, you will be required to pay for the cost of a new book if a textbook is damaged. Students are permitted to cover all textbooks and replace the covers if they become worn during the school year. Students are expected to take their textbooks and essential materials home EVERY NIGHT, including weekends.

**Homework Policy:** Meaningful homework is assigned to help students become more self-reliant, learn to work independently, improve the skills taught in the classroom and to complete assigned projects. Homework is assigned at teacher’s discretion. Homework assignments should be returned when due. The length of assignments increases with grade level. If a student does not study or complete tasks at home, it will be considered as an indication that he/she is not satisfactorily fulfilling class requirements. Parents should encourage systematic study habits, show interest in assignments, commend satisfactory performance and provide proper conditions for home study. Parents will be notified when students consistently fail to complete and submit homework assignments.

**Report Cards:** Students are expected to maintain an average of “C” or better. As we prepare our students to be productive global citizens, the ability to effectively write and read will be necessary. Therefore, reading and writing will be a school wide emphasis on all grade levels. Additionally, we will continue to emphasize content standards, performance standards, student exhibitions, problem solving and critical thinking in all subject areas.

**Progress Reports:** Progress reports will be issued once per quarter. This report will inform parents of students who are failing, performing successfully, misbehaving and having attendance/lateness problems. Parents and/or guardians are expected to sign these documents and return them to the Advisory teacher within one week.

**Code of Conduct:** The School District of Philadelphia has adopted a Code of Conduct, available on our website. Teachers will review the contents of the code, especially the Levels of Offenses and recommended interventions during the first days of school.

**Discipline:** Discipline, as a minimum, has three objectives in mind: PRESERVE the optimum environment in which to deliver instructional services. RESPOND to disruptive influences with corrective measures in a firm and consistent manner while attempting to correct defiant behavior and keep students in school. REMOVE: as a last resort, the disrupters from the educational environment so that the majority may pursue their educational goals.
Please review the 2019-2020 Code of Conduct carefully with your child.

**Attendance and Lateness:** SCHOOL BEGINS at 8:25 AM and ends at 3:25 PM

All students are required to attend school every day and on time. You are required by law to notify the school when your child misses any instructional time. A written explanation of the absence or lateness is required upon your child’s return to school. Student attendance will be taken using the Scholarchip system. This system is an automated system that scans student attendance using their ID badges. Each student will receive a photo ID badge during the first week of school. ID badges must be worn at all times. There is a $5.00 fee to replace lost badges.

Students arriving after 8:25 will be marked late. Students must receive a late pass from the first floor monitor, and then proceed to class. Just as in absences, lateness causes students to miss important information. Please ensure that your child arrives on time for school each day. If a child arrives after 10:00 am or is picked-up prior to 1:00 pm he/she will be coded for a half day of absence. Two half days will equal a whole day for record-keeping purposes.

The District records excused and unexcused absences daily in compliance with the law, Parents/Guardians will be notified from the local school by phone and in writing after their child’s unexcused absences. Any child who is absent from or late to school without a valid written reason for a total of three (3) days or more is considered truant. The following is a series of events that may take place if a child is truant:

1. Parents/Guardians will receive formal notification, parent teacher conferences or visits from Parent Truancy Officers to determine the nature of the absences.
2. A report may be forwarded to the Response to Instruction & Intervention Team, the Department of Human Services, or the Office of Truancy Prevention Office.
3. The student as well as the parent/guardian may be compelled to comply with the procedures and orders of the Family Court’s truancy program. Parents/guardians may be subject to a fine, community service or parenting classes.

**Please do not allow your children to arrive in the morning before 8:00 a.m. There is no supervision for the children before 8:00 a.m.**

All AMY students are expected to be present and on time each day for school. Students must bring a note signed by a parent or guardian stating the reason for absence. NO absence will be excused without a note. When a student is absent, he/she is missing essential information. Absences should be avoided whenever possible. Students are also responsible for any work missed during their absence,

**Advisory Periods:** Advisory is at the beginning of the day and again at last period. The Advisory teacher will be the primary point of contact for all concerns that are non-academic., Collection of all electronics (including cell phones, mp8 players, etc.) will be done at the beginning of the day by the Advisory teacher. Electronics will be distributed to the students at the end of the day.
Audio and Electronics: If a student is found using any electronic device during school hours it will be confiscated. The school is not responsible if a student brings an electronic device to school and the device is stolen, lost or damaged.

Consequences for Violating Electronics Policy:
1st Offense: Device is confiscated, and returned to student
2nd Offense: Device is confiscated, and returned to parent
3rd Offense: Device is confiscated, and not returned until the last student day.

School Store: The AMY Home & School Association runs the school store. It is open Monday to Thursday during the advisory period. Students may purchase snacks, school supplies and uniform tops.

Pretzel Sales: Every Friday the Athletics Department sells pretzels during Advisory as a fundraiser. The cost is $.50 per soft pretzel.

Student Lockers: Each year students are assigned a locker for storage of coats/jackets and textbooks. Students must respect the privilege of having a locker and they are expected to:

- Use your assigned locker- students may not share lockers
- Keep the lock combination in a safe place. Do not share the combination with others
- Pay $5.00 for replacement of lost lock
- Keep only school texts, notebooks and outer clothing in the locker
- Keep all personal items or valuable items at home
- Use the lockers at the assigned times- before school, before PM Advisory and before/after lunch.

Abuse of the above listed rules for lockers use may result in the exclusion of locker usage and/or further disciplinary action.

The School District has the right to inspect lockers at any time to protect the health, welfare or safety of the entire school community. The School District assumes no responsibility for loss of student's personal property.

Bicycles: Bicycle racks are located on the side of the building. If using the racks, you are responsible for securing bikes with a lock. The school is NOT responsible for damaged or stolen bikes.
