# **Campus Parent App Settings**

When logging in to your App for the first time, you will be prompted to set security and notification settings. Additional information on these options are included below.

## Do you want to stay logged in?

The iPhone App can keep you logged in, but this should only be selected if the device is not going to be shared by more than one person.

The iPhone App can also send you push notifications if you stay logged in. To receive push notifications, click

**Yes**. Then, click **Allow** to receive notifications.

The App will show the Student and Parent Launch Pads on the screen. Click the Stack icon in the upper left corner to see the menu of other screens that are available.

Please visit <u>www.philasd.org/face</u> for more resources and information!
