Fax: (215) 400-4631

Benefits changes as a result of a qualifying life event are accepted during the year if they are received by the Benefits Office within 30 days of the qualifying event date. Examples of qualifying life events are birth of a child, marriage, divorce, adoption, loss/gain of other health insurance. Proof of the event is required. Benefits changes without a qualifying event can only be made during our Annual Open Enrollment, held in May with Benefit changes effective July 1.

Note: The District has the right to bill you and pursue collection for the full cost of coverage provided to any ineligible dependent. If you do not remove the ineligible dependent from coverage and they are later found to NOT be eligible for coverage, you may be billed for costs associated with coverage and may face disciplinary action up to and including termination.
