

## Notice of Conversion and/or Portability Rights

As a terminated employee – or as an active employee or retiree – losing coverage or a portion of coverage for you or your dependents under your employer’s Group plan(s), you and/or your dependents may be eligible to continue all or a portion of that coverage without submitting evidence of good health. Potential options are explained below. The specific options available to you are based on the provisions as defined in the Group plan. Included with this notice is a form you can submit to obtain additional information. Based on your selection, you will receive a personalized quote, details on the specific coverage options available to you, and the necessary forms to enroll.

### Life Conversion

The Life Conversion option provides the opportunity for you to obtain an individual life insurance policy that accumulates cash value and is offered at individual insurance rates. There are no mandatory age reductions and coverage can continue with premium payment until the Scheduled Maturity Date (standardly age 121) at which time the cash surrender value is paid to the insured.

If coverage is ending because The Hartford Group Life policy is terminating or coverage for a class of employees is terminating, some restrictions may apply. If coverage is ending for any other reason, you can generally convert up to the full amount of your terminating coverage. Conversion is also available to your dependents if they had coverage under your group plan. You may have the option to obtain a one year term policy prior to the permanent life policy becoming effective. Please refer to The Hartford Group Life policy for information. **Premiums for a Life Conversion policy are substantially higher than your Employer Group plan rates.**

### Long Term Disability (LTD) Conversion

You may be eligible to convert coverage you had in effect under your Employer’s Group Long Term Disability (LTD) plan to a Group Disability Conversion policy provided your group coverage was in effect for at least one year. You cannot be disabled at the time of your application for an LTD conversion policy and you cannot convert LTD coverage if you are retiring, regardless of your age. LTD conversion is not available for dependents. The benefit amount payable under the LTD conversion policy is generally 60% of your monthly earnings at the time your Group coverage ended or the amount provided under the LTD group plan, whichever is less, up to a monthly maximum of \$5,000, subject to offsets for other income benefits. A 6-month elimination period applies. LTD conversion is not available if the group plan is terminating. **A one time administrative enrollment fee will apply and is added to your first quarterly premium. Premiums for a Group Disability Conversion policy are higher than your Employer Group plan rates and increase every 5 years (years in which your age on your birthday ends in 5 or 0).**

## Frequently Asked Questions

**Q: If I request a quote, how does The Hartford determine the amount of coverage to quote?**

A: The Hartford will contact your employer to obtain the amount of coverage you had in effect under the group plan. The quote is based on this amount as well as applicable plan provisions.

**Q: If I receive a quote for coverage, does this mean I qualify for the coverage amount quoted?**

A: The amount quoted is not a guarantee that a policy will be issued in that amount. Upon receipt of your application for coverage, The Hartford will perform an eligibility review to determine if the amount of coverage you have requested can be granted based on the coverage you had in effect under the group plan as well as plan provisions.

**Q: What is my policy effective date?**

A: The effective date of the Life Conversion policy is the 32<sup>nd</sup> day following the group coverage termination date. The effective date of an LTD Conversion policy is the day following the group coverage termination date.

**Q: If my application for coverage is not approved by the effective date, am I still covered?**

A: Yes, if your application is approved, the effective date of your policy will be retroactive to the date indicated above.

**Q: I understand that there is no medical underwriting or physical exam required but can I still be denied for coverage?**

A: Your request for coverage can be denied if you do not meet the timeliness requirement. You must mail or fax this form to request information within 15 days from the date of this notice or 31 days from your group coverage termination date, whichever is later. Under no circumstances will continuation of coverage be available beyond 91 days from your group coverage termination date. Coverage can also be denied if it exceeds the amount you had in effect under your employer's Group plan or if it does not align with your employer's plan provisions. In addition, any request for coverage that is not available under your employer's Group plan will also be denied.

**Q: If I start to work for a new employer and obtain coverage under that employer's Group plan, will that Group coverage impact any conversion or portability policy that I may have purchased?**

A: If you obtain coverage under a new employer's Group plan, your conversion policy will remain in effect provided you continue to pay the required premiums. However, benefits payable under conversion policies may be affected by the amount of your other coverage.
