

Greetings,

Due to an inadvertent processing error, your Open Enrollment Packet dated April 17, 2020 contained incorrect rate information. A corrected Open Enrollment Packet was mailed on May 14, 2020. This new packet contained the correct rates reflecting a 3.5% premium increase due to increased claims cost over last year's (2019-2020) premiums.

Please destroy the packet dated April 17, 2020

We sincerely apologize for the inconvenience caused by this processing issue. If you have questions, please let us know.

Sincerely,
