

## COVID-19 Testing Locations – as of June 1, 2020

If you think you've been exposed to COVID-19 and/or you develop a fever, cough, or have trouble breathing, contact your doctor or state health department. They will screen you based on CDC guidelines. If they issue a lab order for the test, Independence will cover the cost for testing.

The testing site information listed below was provided by the hospital/health system and does not represent all testing locations that are available in the area. We will continue to update the list as information is made available to us. Please note the following:

- Testing at all sites is subject to availability of equipment and test supplies;
- Hours of operation are subject to change without notice;
- Most sites will not provide a test without being prescreened and without presenting a physician order.

### PA / DE Locations

Hospital/Health System	Location(s)	Hours of Operation	Type of Location	Requirements for Testing
<b>Christiana Care Health System</b>				
ChristianaCare Christiana Hospital	4755 Ogletown Stanton Road Newark, DE 19711	ER 24/7		
HealthCare Center of Christiana (HCCC)	200 Hygeia Drive Newark, DE 19713	Weekdays: 8am-3pm	Provider Referral Center	This is not a walk-in facility. Only patients referred by their provider and in possession (physically or electronically) of a testing order will be tested. Patients will need to arrive at the HCCC testing site with their ID and insurance card.
<b>Doylestown Health</b>	595 W. State Street Doylestown, PA 18901	Daily: 8am-12pm, by appt only	Drive-thru	Patient must meet CDC guidelines for testing: * Only providers credentialed by the DH Medical Staff may order the test at this time. * Provider order should be sent electronically via ECW or faxed to 215-345-2477. Provider must include patient contact phone number. * The patient will be called back to register and schedule. * Only patients who have registered for the test and provided a time in advance of the visit will be permitted to proceed. * The patient will be directed to drive to a predetermined area of the campus where identification and preregistration will be verified. * Once verified, the patient will be allowed in queue (in their vehicle) for the test. * The test will be conducted by our trained and appropriately protected personnel while the patient remains in his/her vehicle.

## NJ Locations

Hospital/Health System	Location(s)	Hours of Operation	Type of Location	Requirements for Testing	Additional Information
<b>County Locations</b>					
<b>Bergen County:</b> Bergen New Bridge Medical Center	230 East Ridgewood Avenue Paramus, NJ 07652	Daily: 8am-3pm, by appointment only	Drive-thru	By appointment only for Bergen County first responders and Bergen County hospital employees. Take the screening survey first. If you qualify after your telehealth session, you will be scheduled for testing at the Bergen New Bridge drive-up testing site.	
<b>Bergen County:</b> Holy Name Medical Center Hospital	718 Teaneck Road Teaneck, NJ 07666	By appointment only	Tents outside of ER	Tents are being used to test patients who have been screened by their physicians via phone or in-office visit and meet criteria for testing that triggers a referral to the center's infectious disease team. The infectious disease team will assess the information provided by the patient's physician and the patient will be called in for testing if they meet our screening criteria.	
<b>Bergen County:</b> PM Pediatrics	160 Route 17 North	By appointment only	Pediatric Office	Must be evaluated by a pediatric expert from PM Pediatrics to determine eligibility, either in-person (ages 0-26 only) or through their telemedicine app (all ages). Must book an appointment in advance. On-site testing is conducted one person at a time. Results are reported approximately 2-4 days later. Call 201-262-5437 for more information.	<a href="https://pmpediatrics.com/pmpa/nywhere/">https://pmpediatrics.com/pmpa/nywhere/</a>
<b>Burlington County:</b> Cinnaminson MedExpress Urgent Care	1210 Route 130 N Cinnaminson, NJ 08077	Daily: 8am-8pm	Urgent Care	Call 856-829-0407 and a MedExpress team member will complete a brief screening with you over the phone. If you meet the CDC-based screening criteria for COVID-19 testing, a team member will walk you through the next steps of your care.	Urgent care services are currently not being offered at this time.
<b>Burlington County:</b> Virtua Willingboro Hospital	218 Sunset Road Willingboro, NJ 08046	Weekdays: 12pm-4pm, by appointment only	By appointment and walk-up	Open specifically to Willingboro residents and to those referred by Virtua Health physicians. Testing is by appointment and by walk-up for community members. Those without appointments will undergo a screening by a provider to determine if testing is appropriate.	Speak with a Virtua access center representative at 1-888-VIRTUA3. For Virtua eVisits go to <a href="https://www.virtua.org/patient-tools/evisits">https://www.virtua.org/patient-tools/evisits</a>
<b>Camden County:</b> Cooper University Health Care	1210 Brace Road Cherry Hill, NJ 08034	By appointment only	Ambulatory Care Center	No patient specimen will be collected without pre-registration and a Cooper provider's order. If you are experiencing a fever and/or respiratory symptoms such as shortness of breath or cough, please call your primary care physician for further instructions. To schedule an appointment with a Cooper primary care provider, call 800-826-6737 or visit Cooper Primary Care online. Cooper patients with a doctor's order will be scheduled for an appointment to visit the collection site.	Cooper has the ability to both collect specimens and run tests all conducted by Cooper personnel.
<b>Camden County:</b> Cooper University Health Care Emergency-Trauma Entrance	1 Cooper Plaza Camden, NJ 08103	Weekdays: 4pm-10pm, by appointment only	Emergency-Trauma entrance	Open only to EMS personnel, law enforcement members, and Cooper employees. Call 856-968-7100 or 856-342-2881 weekdays from 8am-5pm to make an appointment.	

Hospital/Health System	Location(s)	Hours of Operation	Type of Location	Requirements for Testing	Additional Information
