

Commuter Parking Expenses

Work-related parking expenses are eligible for reimbursement through the Commuter Parking Qualified Transportation Plan (QTP).

What's Covered:

Work-Related Parking Expenses

The following parking expenses are considered eligible:

- ✓ Parking provided to an employee at or near the business premises of the employer.
- ✓ Parking provided to an employee on or near a location from which the employee commutes to work by mass transit, vanpooling, in a commuter highway vehicle, by carpooling or by any other means.
- ✓ Parking that an employer provides on the premises that it owns or leases.

What's NOT Covered:

- ✗ Parking expenses that are not work-related
- ✗ Parking at or near your home
