March 4-8 Celebrating Dr. Seuss Week

March 12 Main Building Spring Concert

Grades 3-4 1:00 PM

Grades 5-6 10:15 AM

Grades 7-8 9:15 AM

March 26-Annex Produce Stand

And to Think We Saw It at Bridesburg School

Read Across America celebrates reading and everything we love about reading. Who better to symbolize this celebration but Dr. Seuss, the beloved author and illustrator. The first week in March brought out the best in our students with superheroes and characters entertaining the annex students and a celebration of careers in the annex and main buildings. We also saw some super silly socks. We had special guest readers come into our classes and read special books to the lads and lasses.

Young Runners of Bridesburg

This year our third grade classes are involved in a very special activity in cooperation with The Bridesburg Boys and Girls Club. During their recess periods they are becoming accomplished runners. Some of our students have run 10 miles since the beginning of the program. That's amazing! For each mile they run they receive a token to add to their own special necklace. We are so proud of all of them. Ben Lewandowski, Joe Dunkley and the rest of Room 203 proudly showed off the tags and tokens they'd received this year.

Please remember that all students must wear the proper school uniform to school everyday. Hoodies are not allowed.

Thank you for your cooperation

Volunteers

We'd love to have your help. If you are interested in volunteering in a classroom or going on field trips there are new guidelines. Call the office of the main building or annex for details.
