**Description:**

The Office of Capital Programs has identified a need for professional services to support the proper staffing to implement the Capital Improvement Plan (CIP). This award will provide staffing on an as-needed basis to assist Capital Programs in the implementation and completion of the CIP work. The priorities include: new facilities and additions, renovations of existing facilities, life-cycle replacements, and maintaining the physical integrity of existing buildings to meet code requirements and educational programming needs. Staff are fully integrated into the department and work as a part of the team to complete capital work. The staffing services are for: architecture, engineering, estimating, claims analysis, technical specifications writing, project management, and construction scheduling. Evaluations of services are performed on a continuous basis and include professionalism, project milestones delivery, budget, and scheduled assignments. This work is in support of Guardrail 1-Welcoming and Supportive Schools- Every school will be a safe, welcoming and healthy place where our students, staff and community want to be and learn each day.
