Dear parents and guardians of 8th grade students,

It is my hope that all of you are well and practicing social distancing during this pandemic.

We know that the 8th grade students were so excited about this school year and the school team had some special events planned to mark this memorable milestone as they transition from middle to high school.

Everyone is disappointed the 8th grade students will not be able to participate in the 8th Grade Class Trip to Maryland and Dance on the Spirit of Baltimore. However, we have decided to honor the students with a yearbook and t-shirt to mark the accomplishment of completing 8th grade.

We know that the 8th grade students, parents and families were looking forward to the 8th grade Closing Exercises. Unfortunately, we cannot facilitate large gatherings as the district, city and state navigate this current corona virus pandemic. Please be safe as you find a way to celebrate this milestone with your child.

As we are working to close this school year, please understand, money collected at Conwell for school-related activities is processed by staff and placed in an account managed by The School District of Philadelphia. Currently, there is no plan to return the \$110 deposit, non-refundable deposit outlined in the 8th Grade Letter but the District is working on a plan to return other funds from activities and events that will no longer take place. As this plan is finalized, we will inform you on how refunds will be distributed.

Thank you for your patience in this matter.

Sincerely,

Ms. Green

Principal

Estimados padres y tutores de estudiantes de octavo grado,

Espero que todos ustedes estén bien y practiquen el distanciamiento social durante esta pandemia.

Sabemos que los estudiantes de octavo grado estaban muy entusiasmados con este año escolar y el equipo escolar tenía planeados algunos eventos especiales para marcar este hito memorable a medida que pasaban de la escuela secundaria a la secundaria.

Todos están decepcionados porque los estudiantes de octavo grado no podrán participar en el Viaje de clase de octavo grado a Maryland y Baile en el Spirit of Baltimore. Sin embargo, hemos decidido honrar a los estudiantes con el libro del año y una camiseta para marcar el logro de completar el octavo grado.

Sabemos que los estudiantes, padres y familias de octavo grado esperaban con ansias los ejercicios de clausura de octavo grado. Desafortunadamente, no podemos facilitar grandes reuniones a medida que el distrito, la ciudad y el estado navegan esta pandemia actual del virus corona. Esté seguro mientras encuentra una manera de celebrar este hito con su hijo/a.

Mientras estamos trabajando para cerrar este año escolar, comprenda que el dinero recaudado en Conwell para actividades relacionadas con la escuela es procesado por el personal y colocado en una cuenta administrada por el Distrito Escolar de Philadelphia. Actualmente, no existe un plan para devolver el depósito de \$ 110, depósito no reembolsable descrito en la Carta del 8º Grado, pero el Distrito está trabajando en un plan para devolver otros fondos de actividades y eventos que ya no tendrán lugar. Cuando se finalice este plan, le informaremos sobre cómo se distribuirán los reembolsos.

Gracias por su paciencia en este asunto.

Sinceramente,

Ms. Green
Principal
