To: Parents, students and guardians

From: Ms. Maria, Site Coordinator, ASAS

I hope that this letter finds you resting and enjoying special moments while keeping you your family and friends safe this summer. Things are changing quite rapidly so I want to make sure that WE stay connected and share with you a few notes from ASAS.

ASAS had a few activities this year: Girls, Inc, Girls on the Run, PECO Peep, Cooking Club, Tennis, and Basketball.

We also had dance, which was provided by Pennsylvania Ballet and the Delphi Project.

Field trip where Principal Green and ASAS staff officer Caldwell were honored at a 76ers game.

I want to give a shout out to all the students for coming every day doing their homework and enjoying themselves while doing the activities they were placed in. I especially want to Shout Out Ms. Breana Soto who had perfect attendance during the entire programming session!!!

A special THANK YOU to those wonderful families that took time out of their busy schedules to join us on those special evenings of Family Night with games and dinner it takes a team to make all things possible.

Goals for the ASAS program align with the mission and vision of Conwell Middle Magnet School:

- A Challenging Afterschool Program, which will include homework and all other after school activities
- Inspiring students to achieve intellectually and personally
- Caring and respectful staff members to guide the students
- Programing that will develop students who are resilient, equipped and socially responsible
