Dear Students,

This year we've experienced new challenges and I'm proud of how you've embraced them. Your resiliency is reflected in the beautiful artwork you've created. Even though we haven't been able to see each other in person these last few months, I've enjoyed our virtual meetings and teaching you in a new way.

I want to thank each of you for the hard work and effort that you've put into your learning. Always remember that the world needs each of you and your unique gifts! I've included some of the wonderful artwork that you've made during this time of online learning.

Please don't hesitate to reach out to me during the summer. For those of you that are moving on to high school I would like to keep in touch and hear about the great things you're doing! My email is vkерwin@philasd.org. I am grateful for the time we've spent together this year and I hope everyone has a lovely summer break.

Best,

Ms. Kerwin
