June 8, 2020

Dear Parents and Guardians,

It's summertime already. I can't believe how quickly this year has flown by. I have enjoyed having your children in my 6<sup>th</sup> grade class this year and I'm looking forward to seeing them in person again next year when they are in 7<sup>th</sup> grade.

We are a team, and I thank you for your support during this difficult transition to on-line learning. The students loved attending our on line meets and seeing their classmates. I loved seeing them too! On our Meets, we reviewed work that we had covered before the school building closed, and learned new material.

Please encourage your children to read over the summer and to continue practicing math on Prodigy and Khan Academy.

This has been a tough time for all of us. Please know that I see you, I hear you, I love you, and I stand with you. You have trusted me with the safety of your most valuable possession, your children, and for that I thank you.

Please contact me with any questions or concerns. I will check my school email over the summer break so if any questions arise, please send me an email or a phone call/text and I will get back to as soon as I can. I would be willing to hold Google Meets if any students are interested. I am looking forward to a safe and healthy summer for all of us. Stay safe and have an enjoyable summer.

In solidarity and love,

Mr. Posnan
