2019-2020 Academic Year
Room 306

English/Literacy

Well, we have made it to the end of this very eventful school year!!!!. I have watched you grow and develop through your educational journey. We have come to the end of the road of your tenure here at Conwell Middle Magnet School. I encourage you to take your education and learning seriously as you enter High School! Always remember the *School's Mission of:*

- Inspiring students to achieve intellectually and personally
- Caring and respectful individuals to guide the students
- Developing students who are resilient, equipped and socially responsible

Looking back over this school year begin to reflect on the the novels that we read:

- Homecoming by Cynthia Voigt
- Bronx Masquerade by Nikki Gries

Think of the collaborations and the discoveries that you made about yourself. You are not the same person who walked into Room 306 September 2019. You have learned and you have grown. This change in your learning environment did nothing but show you how resilient you are when faced with challenges out of your control. For this accomplishment you should applaud yourself.

We never got a chance to read "Escape from Camp 14" by Blaine Harden or watch the full version of Freedom Writers. I encourage you to take the time to read the book and watch the movie. Ninth grade will be here before you know it. I know you will be great and look forward to seeing you through out your High School year to share your experiences.

Continue to strive to be the best that you can be! Cougar Strong!

Sincerely,

Ms. S. Levister
