## **ALL GRADES**

All staff will enforce the Decatur School Uniform Policy during the 2017-2018 school year. Tight fitting pants (for girls) will not be accepted. Absolutely no UGGS, boots, moccasins, flats, sandals, and open-toed shoes will be acceptable. During inclement weather, students may wear boots to school; however, they must bring their school shoes or sneakers with them to change into inside the building. Wearing boots throughout the school day poses tripping hazards and are not healthy footwear for active student mobility. If there is a change in schedule and students are sent to P.E., students without sneakers cannot participate.

Our dress code also requires that all hats are removed in the building and girls not wear head coverings or scarves, unless for religious reasons. No hoop earrings larger than one inch, dangling earrings, or large jewelry can be worn.

Absolutely no facial or body-piercing jewelry will be permitted in school. Modest highlights of color will be accepted, as long as it does not pose a distraction to instruction. Students are not to wear heavy makeup at school.
