

2021-2022 School Supplies for Room 106

1. Earphones for iPad and computer class. We recommend the Lakeshore brand. They are very durable. Cheaper headphones tend to break easier. They can be found at LakeshoreLearning.com by searching “Listening Center Headphones”
2. Baby wipes for hands and faces (2 packages)
3. Tissues (2 boxes)
4. Hand sanitizer (2 bottles)
5. One box of quart sized plastic bags, one box of gallon sized plastic bags, one box of sandwich sized plastic bags.
6. A change of clothes, including socks, underwear, shirt and pants.
 - If your child is toilet training, please send in three sets of clothes, an additional two packages of wipes and pull ups/diapers.

Thank you!
