

# Is Your Child Ready for School?

## Guide to School District of Philadelphia Immunization Requirements

### THINGS TO KNOW

- Proof of vaccinations or medical certificate must be provided to your child's school no later than the first day of their attendance. Parental recall or verbal history of any disease is not accepted.
- Students who do not have proof of all vaccines will not be able to attend school unless an exemption form has been submitted and approved by the Office of Health Services.
- These requirements allow for the following exemptions: medical reasons, religious belief, or philosophical/strong moral or ethical conviction. Even if your child is exempt, he or she may not be able to attend school during an outbreak of vaccine-preventable disease.

For more information on vaccine requirements or how to pursue an exemption, talk to the school nurse or visit [philasd.org/vax](http://philasd.org/vax) or call (215) 400-5VAX.
