Upcoming Events & Opportunities

Family Academy: Courses & Training (FACT) Online is Still Ongoing!

[FACT](#) offers virtual workshops for families on all things related to supporting their child's education. Learn how to navigate services within the District, get resources for your family, or just take time expanding your own knowledge and skills. **Remember, Action Group members are required to attend at least one (1) FACT Online workshop throughout the school year. The feedback from your experience helps us improve our programming! Did you attend a FACT session? [Let us know how we're doing.](#)**

District Wide Surveys are Now Available!

In other news, 2021-2022 [District-Wide Surveys are now available and accepting responses](#). Your input will help schools address challenges families face as well as ramp up resources that schools will receive.
