learning opportunities while schools remain closed long-term due to COVID-19 (coronavirus) response efforts. It will also make digital content available to help students retain, learn and apply skills and strategies with the support of a teacher. The loaner program is free however all devices must be returned once schools reopen.

Starting the week of August 17, three Technology Support Centers will be open 5 days/week for families to obtain new Chromebooks, or get help with theirs.

- Still need to pick up a Chromebook? You can pick one up at one of the Parent & Family Technology Support Centers listed below. **HOURS ARE CHANGING FOR FALL** – please note new schedules as listed below.
- If you need help **getting started or getting familiar** with your Chromebook, see the list of helpful How-To documents in the Resources section below.
- If your District-issued Chromebook computer is in need of **repair or service**, you can drop it off at one of the **Parent & Family Technology Support Centers** listed below.
- Please note: Only PreK-12 students who are currently enrolled in a District-led school are eligible for this loaner program. Charter School families should contact their charter school for details about how/if their school is making devices available.
- **Wondering if you have to return your Chromebook, and how?** The answers vary, depending if you are a graduating senior, changing schools, and other factors. Visit our [FAQ's](#) for more information. You can also review information sent to:
