Dear D. Newlin Fell Elementary Students & Families,

In order to promote ongoing learning and communication with teachers during this unprecedented time, please find below a stepper sheet for accessing Google Classroom and the online Lexia Core 5 Reading Program which is available for all students in Grades K-8:

1. Go to www.philasd.org.
2. Login with your child's ID number and password.
3. Scroll over to the left side of the screen. Click on Message Center.
4. Access Google Classroom or Lexia Core 5 by clicking either icon.

If necessary, Chromebooks will be available to loan to students during the week of April 13th and learning guides can also be downloaded on the district website.

If you have any questions or concerns and/or need your child's information, please email myself at oashe@philasd.org or his/her classroom teacher. Our staff directory with a comprehensive list of email addresses can be found at <https://fell.philasd.org/> under the "Our Faculty and Staff" tab.

Thank you,

Mr. Ashe
