## Grammar is Great!

Brush up on your prepositions and plural nouns while battling monsters and traveling through space!

# MATHEMATICS

**IMAGINE MATH** is your most valuable resource for continuing to do mathematics this summer! It is personalized for you so please use it! Try to log in at least three times each week and work for at least 30 minutes.

## Math Games!!!

Click below for so many cool games to play to reinforce math skills!

**Khan Academy** is such a great way to review what we have learned AND to get a head start for fifth grade! Be sure to check it out!

## MULTIPLICATION!!!

So much of fifth grade math uses multiplication. Practice, practice, practice!!!

Remember when we used Jamboard, Pixton, or even slides during math? You can do that all summer! Create word problems and share them with a classmate to solve! Write math stories! Notice and Wonder about the world around you. Create Kahoots or Blookets and email the links to your friends to play! JUST KEEP DOING MATH!

# Science/SOCIAL STUDIES

Watch lessons and complete virtual labs in Science Fusion! Find it in the message center after you log in to [www.philasd.org](http://www.philasd.org).

Learn and laugh with our favorite scientist (other than Mrs. Magee, of course!)
