

Welcome to Camp Khan 2021 (Grades 7 and 8 Math):

Camp Khan is a FREE 31-day challenge for you to complete 15-minutes of math each day from July 1st through July 31st. Our program will focus you on the exact math skills that matter the most, setting you up for success in the next school year, while prioritizing SUMMER. Information on *How Camp Khan Works* is linked below and already shared with students. All students are familiar with khanacademy.org and are able to login.

Have a great Summer! See you all in person in the Fall!

Thank you,
Mr. Swantek
