

Girard Academic Music Program

School-Parent Compact

***2020-2021 School Year
Revision Date 04/28/2020***

Dear Parent/Guardian,

JOINTLY DEVELOPED

Girard Academic Music Program and the parents of the students participating in activities, services, and programs funded by Title I, Part A of the Every Student Succeeds Act (ESSA) agree that this compact outlines how the parents, the entire school staff, and the students will share the responsibility for improved student academic achievement and the means by which the school and parents will build and develop a partnership that will help children achieve the State's high standards. This year, a parent input meeting was held virtually on April 28, 2020 to give parents the opportunity to give input into the development of this Compact.

To understand how working together can benefit your child, it is first important to understand the district's and school's goals for student academic achievement.

THE SCHOOL DISTRICT OF PHILADELPHIA ANCHOR GOALS:

1. 100% of students will graduate, ready for college and career.
2. 100% of 8-year-olds will read on grade level.
3. 100% of schools will have great principals and teachers.
4. SDP will have 100% of the funding we need for great schools, and zero deficit.

Girard Academic Music Program GOALS:

GAMP will increase proficiency and advanced math scores as identified by PSSA and Algebra Keystone exams. Our main focus areas will be 8th grade PSSA scores and 9th grade Algebra scores.

GAMP will increase progress scores in math and ELA as identified by PSSA and Algebra Keystone exams and reflected in our school's annual School Progress Report.

To help your child meet the district and school goals, the school, you, and your child will work together:
