- Do you have two hours a week (or more) to spend helping to make the Stephen Girard school a more welcoming place?
- Do you like meeting people and making them feel at home?
- Would you like to spend time reading or working on letters of the alphabet with one kindergartener?
- Then you would be perfect for the Girard welcome desk volunteer position!

Duties include:

- Your duties would be to welcome visitors, make sure they sign in, and direct them to the main office.
- Possibly working with one kindergarten student at the front desk on reading or on recognizing letters of the alphabet.

Sign up for as many 2-hour shifts as you are comfortable with. There will be an orientation session before you begin to discuss clearances and help with obtaining any you may need.
