S.T.E.A.M

Science, Technology, Engineering, Arts and Mathematics

At Girls' High, we are work-
 ing to encourage our students
 to explore S.T.E.A.M. careers
 for their future. We have new
 state of the art science labs as
 well extra-curriculars such as
 robotics, Science Olympiad
 and Women in Medicine.

Robotics Club

Girls' High offers both Advanced Placement (AP)
 and International Baccalaureate Programs (IB).
 Both programs could help a student earn college
 credit while in high school. Girls' High students
 also participate in Dual Enrollment with several
 universities to allow students to earn college
 credit by taking classes with a professor. Senior
 Year Option Program allows a students to attend
 college and earn credits as a high school senior.
