Summer Assignment 2020

MATHEMATICS: Student Instructions

1. Visit www.bigideasmath.com (copy and paste in address bar).
2. Click *New to Big Ideas Math?*

Enter your access code, **KKHJ-TDZ4-AATR**, and click *Next*.

3. Fill out the required information and click *Next*. (PLEASE NOTE: if you do not have a SDP student ID #, you may use your name as your #.)
4. Write down your username and click *Next*.
5. Go to **Assignments** tab to find and complete your summer assignment.
PLEASE NOTE: You will not see an assignment when you first join the class. It will take about 24 hours to receive the assignment. Please be patient!
6. There are three sections to complete.
7. Please write your work neatly and orderly on loose leaf or a google document to turn in to your math teacher on the first day of school.
8. Answer all questions online. If you get an answer wrong, try again until you the answer is correct.
9. You can get help on the Big Ideas Math site from videos, textbook pages or live help. You can also use a different help source of your choice.
10. While you are working, you should save your work by clicking the save button. Remember to press the submit button before the first day of school.
11. Questions? Email the department chair, Ms. Michini, at cmichini@philasd.org.
12. Enjoy your summer! We look forward to seeing you, hopefully in person.
