

Chinese II (Already took Chinese level I, will be sophomore
In the school year of 2021-2022)

1. Log on to [duolingo.com](https://www.duolingo.com) at least once a week for 10-15 minutes
Get to the highest level you can over the summer
2. Review Chinese I content, use Youtube videos to help with the pronunciation
3. Write a one- page article to reflect on your learning experience in Chinese Level 1 class, briefly mention what you have learned, explain what should you do to keep up the good work or to improve in Chinese Level 2.
