Subject : Grant Development Newsletter/Opportunities Listing for November
To : everyone <everyone@philasd.org>

All,

I am pleased to share the November issue of the Office of Grant Development newsletter, which features a curated list of grant opportunities for which individual teachers, schools and/or community partners may apply. Formal central office "approval" to apply for any of these grants is not needed, but it is very important that you communicate with your principal about any resources you are hoping to bring into your school. We strongly encourage you to contact us in the Office of Grant Development if you are considering applying for a grant. Our team of experienced grant-writers can help you by discussing strategy or reviewing drafts. You can also email me directly (my contact info is below, hitting "reply" to this email will not work), or click [here](#) to contact us via our website.

Good luck to everyone pursuing grants on behalf of Philadelphia public schools!
