**Subject :** Grant Development Newsletter/Opportunities Listing for April

**To :** everyone <everyone@philasd.org>

All,

I hope everyone receiving this is healthy and safe during these upsetting times. I've been inspired by the commitment to the work of education demonstrated by so many in our District. We in the Office of Grant Development are, like so many others, working from home these days, but we'd love to find a way to help any of you pursue grants for your schools. Please don't hesitate to reach out with any grant-related questions.

To that end, I am pleased to share another issue of our newsletter, which features a curated list of grant opportunities for which individual teachers, schools and/or community partners may apply. Formal central office "approval" to apply for any of these grants is not needed, but it is very important that you communicate with your principal about any resources you are hoping to bring into your school. We strongly encourage you to contact us in the Office of Grant Development if you are considering applying for a grant. Our team of experienced grant-writers can help you by discussing strategy or reviewing drafts. You can also email me directly (my contact info is below, hitting "reply" to this email will not work), or click [here](#) to contact us via our website.

Good luck to everyone pursuing grants on behalf of Philadelphia public schools!

Mike
