Office of Grant Development

All,

I am pleased to share another issue of the Office of Grant Development newsletter, which features a curated list of grant opportunities for which individual teachers, schools and/or community partners may apply. Formal central office "approval" to apply for any of these grants is not needed, but it is very important that you communicate with your principal about any resources you are hoping to bring into your school. We strongly encourage you to contact us in the Office of Grant Development if you are considering applying for a grant. Our team of experienced grant-writers can help you by discussing strategy or reviewing drafts. You can email us at grants@philasd.org, or find more resources on our webpage.

Good luck to everyone pursuing grants on behalf of Philadelphia public schools

Michael Sonkowsky, Deputy Chief
Office of Grant Development

NOTE: Funders may change their mission, strategy, and target recipients at any time and some funders have stopped accepting proposals during the pandemic. The OGD has reviewed all of the opportunities to ensure that all are still accepting applications as of March 31st and are appropriate for our audience, however, it is possible that changes were made after our review. Please be sure to carefully review the funder's policies and practices before beginning any application and reach out to OGD with any changes you find.
