

THE OFFICE OF GRANT DEVELOPMENT

2021-2022 YEAR END SUMMARY

Fun Facts

The Office of Grant Development (**OGD**) supports those seeking additional funding for programs that further SDP's mission.

School-Based

11 e-newsletters were distributed to all SDP employees helping at least **70** school-based staff raise **\$1,211,192** for small projects including **8,219** DonorsChoose projects that raised over **\$1.4 million**.

District Wide

Submitted **39** applications on behalf of the district that raised **\$59,831,691** in competitive grant funding. A **73.1%** success rate!

Workshops

OGD offered **5** workshops on grant writing, marketing, and DonorsChoose this year that served over **78** teachers, principals, community partners, school-based staff, and parents. In addition, OGD piloted a new initiative called "School Resource Academy," which engaged teams from **5** schools in a series of workshops to build skills for fund development.

External Partners

Supported **203** partners in seeking grants and doing fundraising for programs that benefit SDP schools.
