Office of Grant Development

All,

I am pleased to share another issue of the Office of Grant Development newsletter, which features a curated list of grant opportunities for which individual teachers, schools and/or community partners may apply. Formal central office "approval" to apply for any of these grants is not needed, but it is very important that you communicate with your principal about any resources you are hoping to bring into your school. We strongly encourage you to contact us in the Office of Grant Development if you are considering applying for a grant. Our team of experienced grant-writers can help you by discussing strategy or reviewing drafts. You can email us at grants@philasd.org, or find more resources on our webpage.

Good luck to everyone pursuing grants on behalf of Philadelphia public schools

Michael Sonkowsky, Deputy Chief
Office of Grant Development

NOTE: Funders may change their mission, strategy, and target recipients at any time and some funders have stopped accepting proposals during the pandemic. The OGD has reviewed all of the opportunities to ensure that all are still accepting applications as of April 1st and are appropriate for our audience, however, it is possible that changes were made after our review. Please be sure to carefully review the funder's policies and practices before beginning any application and reach out to OGD with any changes you find.

Office of Grant Development PD Offerings

For SY 22/23 The Office of Grant Development will be offering our PD: *Fundraising for Public Schools: Intro to DonorsChoose*. Anyone who spends 75 percent or more of their time in student-facing activities may request this PD on School-Directed PD days.

DonorsChoose is the ONLY teacher crowdfunding platform that is approved by the SDP's Board of Education.

Since 2007, over 5,000 SDP teachers have brought in nearly \$13.7 million in resources to their classrooms and schools with DonorsChoose. In this session, OGD staff review SDP policies on fundraising, and best practices for using DonorsChoose. Our staff is often joined by a teacher who is experienced in using DonorsChoose, who share their first-person experiences. If you would like to request a PD on one of the following dates, please look out for our session in the PD catalog and register through Cornerstone.
