Vision: All children have a great public school close to home

- Some schools need more support so that children can have the learning opportunities they deserve
- **Anderson** will receive additional funding to support the school in meeting its goals
- We gathered your feedback on school strengths, challenges, and ways to improve **Anderson**

As we work to improve students outcomes, we believe...

- All students can learn and achieve
- There is a need for support and room for improvement
- Improvement is possible
- All stakeholders have a perspective that needs to be respected
- The work of school improvement is urgent and is a shared responsibility
