VISIT A CITY HEALTH CENTER

Need vaccines for your child but you don't have a doctor? Visit a Philadelphia city health center! City health centers can give your child the vaccines they need to stay healthy and enter school.

Operated by the Department of Public Health, city health centers accept patients with no insurance, Medicaid, HMO plans, and most other insurance options. Walk-in to any of the centers listed below for more information, or call (215) 685-2933 to schedule a vaccine appointment.
