Dear KCAPA Students & Families:

We would like to take this time to welcome you all to the 2020/2021 Academic Year!!! In these times of difficulty and uncertainty, we would like to celebrate both students and families for your perseverance and determination to excel amid such challenging circumstances. As you are all aware, we are beginning this school year virtually. We want to ensure that our students are continuing on the path towards success. We would ask that our parents continue to provide a positive virtual environment which will keep our students KCAPA PROUD!!!

- P- Prepared each day
- R- Respectful of everyone
- O- On-time for everything
- U- United as a community
- D- Dedicated to learning

Being PROUD in a virtual setting is of extreme importance and will ensure success. Here at KCAPA we ask that our students are visible on camera as much as possible, wear school appropriate clothing (uniforms are recommended but not required), sit in a learning space that has room to work at and is free from distractions, and complete all all assignments on-time. Parents, we will need your assistance as we navigate through this upcoming school year and will continue to work with you in ensuring success for our students. Please keep in mind that if you are having difficulties logging online, your child needs additional support or any other issue feel free to call us at 215-400-7400 and someone will return your call. Thank you again for your support and assistance during this unprecedented school year. Most of all thank you for being PROUD parents and PROUD students!!!

Thank You,

Tim Patton M. Ed.
Climate Manager
