Welcome Back!

Dear Parents/Guardians,

It's going to be an incredible year! This school year will be filled with new routines and lots of new opportunities to learn from each other. As your new Emotional Support Teacher, I believe it's important to first learn from you! After all, you are your scholars first teacher. As we begin this school year together, I will need your help to provide the best educational experience for you and your scholar. Below are a few things that will assist us.

Classroom Norms (2020-2021):

Each scholar is given the permission to be **Responsible**, **Respectfully** and take **Ownership** of their own educational experiences. These classroom norms are put in place to promote accountability and commitment to learning.

Ms. Waleed's Points System

Ms. Waleed's Point System (WPS) points are used to determine eligibility for classroom rewards and school wide incentives. Scholars who meet the required number of points for each reward period will be able to participate in classroom rewards and school wide incentives.
