

HELLO FIRST GRADE

2021-2022 School Year

DEAR PARENTS AND GUARDIANS,

We are thrilled about the opportunity to collaborate with you and your child this year. First grade is an exciting year full of fun and growth. We look forward to watching as your child makes both academic and social gains! In first grade, learning is a team effort, and together we have a common goal - to help your child become an independent, joyful learner. To do this, we will utilize every available moment of our day to enrich your child's learning. We will be working hard to become proficient readers, writers, and mathematicians this school year!

Majority of announcements and communication will be via Class Dojo. If you have not already downloaded the app please do so and connect to your child's classroom.

We are so excited to be your teachers this year! We look forward to working with you.

Mrs. Green, Ms. Davis and Ms. Fleming
