

Welcome to SECOND GRADE

We are thrilled for the opportunity to work with your child this year. Second Grade is an exciting year full of fun and growth. We look forward to watching as your child makes both academic and social gains! In Second Grade, learning is a team effort and together we have a common goal - to help your child become a joyful, independent learner. To do this, we will utilize every available moment of our day to enrich your child's learning. We will be working hard to become proficient readers, writers, and mathematicians this school year!

The first day of the 21-22 school year is Tuesday, August 31st. As we get closer to this date, you will receive more detailed information regarding arrival and dismissal procedures, uniforms, and homework. We are going to have a terrific year in second grade!

Sincerely, Your JB Kelly Second Grade Teachers
