

# WELCOME TO THIRD GRADE!

Welcome to third grade! We are so excited to have your child in our class this year! We know it will be a little different starting the school year online, but we are going to make the best of it. Here are some ideas to help you get ready for the virtual school year:

**First Day of School:** The first day is still September 2nd for students

**Supplies:** We are limiting the supply list to just AT HOME supplies for now. We will send an updated IN SCHOOL list when needed. The supply AT HOME list is at the bottom of this page.

**Important Note:** *Because we will be learning at home, it is important to make a learning space at your house. This may be a chair and desk your child can work at that has enough room for their Chromebook and their notebook.*

## ***At home learning environment:***

- Sitting up in a chair
- Place Chromebook on table/desk/laptray
- No other tabs/windows open unless it's for class
  - Avoid snacking (eat before class)
  - Quiet location

## ***At home learning expectations:***

- Log in to class on time (We will let you know what time to log in when we get closer to the first day of school)
  - Complete your homework and classwork daily after online school

**CLASS DOJO:** Please make sure you are connected to your NEW TEACHERS classroom and make sure to check dojo often. Please reach out using Class Dojo if you have any questions before school starts. DOJO WILL BE OUR MAIN SOURCE OF INFORMATION AND COMMUNICATION.

We hope that you enjoy the rest of your summer and we look forward to seeing you and your child on the first day of school!
