

Welcome to 5th Grade

We wanted to welcome you to 5th grade. Our team is very excited to have you this upcoming school year. Although the beginning of the school year may look very different from what we are used to, we will make the best of it. To ensure that you all thrive this school year, virtually we wanted to provide you with some helpful tips for success.

First Day of School: The first day is September 2nd for students.

Supplies: We are limiting the supply list to just AT HOME supplies for now. We will send an updated IN SCHOOL list when needed. The supply AT HOME list is at the bottom of this page. Please let us know if you have any problems or concerns with finding supplies on this list.

Check out our Helpful Tips for Virtual Learning Success:

Creating an at home learning environment:

Since we will be learning from home, it is important to make a learning space at your house. This may be a chair and desk your child can work at that has enough room for their Chromebook and their notebook.

- Sitting up in a chair
- Place Chromebook on table/desk/laptray
- No other tabs/windows open unless it's for class
- Avoid snacking (eat before class)
- Quiet location

Daily Virtual Learning Expectations:

- Log in to class on time (We will let you know what time to log in when we get closer to the first day of school) .
- Complete your homework and classwork daily after online school.
- Remain engaged in all lessons, ask questions, give us your personal best.

CLASS DOJO/COMMUNICATION: Please make sure you are connected to your NEW TEACHERS classroom and make sure to check dojo often. Please reach out using Class Dojo if you have any questions before school starts. DOJO WILL BE OUR MAIN SOURCE OF INFORMATION AND COMMUNICATION.
