

# SDP School Immunization Clinics

## To Attend a Clinic, Register Today!

To ensure a safe and enjoyable environment, all participants are required to register and choose an appointment time.

Don't forget to bring your student's insurance card and photo identification for yourself to present to the CVS pharmacist that will be administering vaccinations at school locations.

**Very Important:** You will receive an email confirmation of your child's scheduled appointment date and time. If the appointment date is after November 2nd, forward the email to your school nurse to request a provisional admission date until your child's scheduled appointment. School nurse email addresses can be found on the District's [Get Help](#) page.
