

June 2021

Dear Families of Rising Fourth Graders,

We are so excited to welcome you to 4th grade! The 2021-2022 school year will prove to be very exciting and productive. Fourth grade is a wonderful time in your life. You will experience a tremendous amount of growth, accomplishment, and success. The fourth grade teachers will be working as a team to ensure you achieve great things. In fourth grade, we have very high expectations. You will learn to budget your time, work independently, cooperatively in teams, develop good study habits, and make every effort to reach your highest potential. You will also work at developing your leadership, independence, and self-advocacy skills.

To ensure you are successful in fourth grade, here are a few things to work on over the summer:

- ★ **Kirkbride Summer Read-A-Thon** Read everyday for at least 20 minutes (Follow on Instagram for more info: @kirkbride\_HSA) - Keep a [reading log](#)
- ★ School District Recommended Reading List Grades 3-5 Click [HERE](#)
- ★ Mastering all of your basic addition, subtraction, multiplication, and division facts (flash cards are available at the dollar store)
- ★ Continue to complete YOUR PATH on iReady for both Math & Reading

Enjoy your summer, do a little work, and be ready for a phenomenal FOURTH grade year!  
**See you on Tuesday, August 31, 2021!**

Your future teachers,

*Ms. Forline & Mrs. Taylor*
