

## Directions for Google Classroom

Teachers will be posting activities or websites that students can use while at home to review work that they already know. Students should try to make an effort to do as many things that their teacher has provided in order to keep their minds active.

**In May, teachers will begin teaching new work and will be tracking attendance for all students.**

If your child has never used Classroom before, here are the steps for 1<sup>st</sup> time users.

**\*\*If you are using your own computer, you will want to open your internet browser.**

**Preferrably Google Chrome (which can be downloade for free.)**

1. Go to School District webpage: [www.philasd.org](http://www.philasd.org)
2. Go to “Login” .....

If you are using a **school chromebook** click Continue

3. Type in student Username: (student ID#/lunch code)
4. Type in student Password (If not sure, ask your teacher)

**Teacher emails are provided below**

5. Click Login

You are now in Infinte Campus

6. Click on 3 Horizontal lines at top left

7. On left side bar Click “**Message Center**”

*You are now on the “**Student Launchpad**”*

8. Scroll down to **Google Classroom** icon

*You may be asked to **Verify it is you***

If it says your id#@philasd.org Click Continue

Click Accept if 1<sup>st</sup> time user and then pick your role **STUDENT**

You will now see a classroom for each subject you are assigned to. Be sure to Accept classes by click on both Reading and Math. Teachers will give detailed information there.
