The National SEED Project
Creating Conversational Communities That Drive Change

Community conversations will include **personal reflection, opportunities to listen to others' voices, and learning experiences. SEED equips participants to connect our lives to one another and to society at large** by acknowledging systems of oppression, power, and privilege.

Participants are not required to attend all three sessions, but are encouraged.

Dinner will be provided.

Please RSVP by emailing
Lea's Community Partnership Coordinator Rich Liuzzi (rjliuzzi@gse.upenn.edu).
