

The Henry C. Lea Elementary School (Lea) and Sadie Tanner Mossell Alexander Penn Partnership School (PAS) will be hosting a series of conversations across our community as part of the National SEED Project (<https://nationalseedproject.org/>).

SEED stands for “Seeking Educational Equity and Diversity,” and it prepares participants to **connect our lives to one another and to society at large by acknowledging systems of oppression, power, and privilege.** Our “SEED Community Conversations” will include personal reflection, learning experiences, and opportunities to hear others’ stories and to listen to others’ voices.

All members of the Lea, PAS, and wider community are invited to participate. While it is not required, we encourage you to attend *all* of the community conversations if possible. Food and childcare will be provided, and we ask that you **please RSVP using the link below** so we know how many people to prepare for. The dates, times, and locations are in the table below, and we hope to see you at SEED!
