

MAYFAIR SCHOOL NEWSLETTER

December

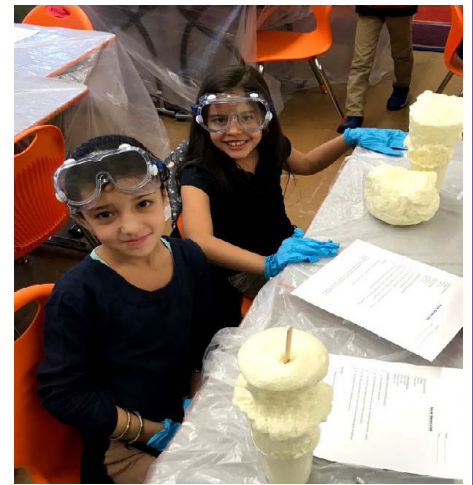

IB SUMMATIVE ASSESSMENT HIGHLIGHTS

The students in Room 204 were working on the IB theme “How We Express Ourselves.” Students were able to create self-portraits using a variety of shapes. Also, the students in 204 reached their goal of donating 120 food items to help families have a wonderful Thanksgiving feast.

Expressive Arts with Mr. Sweeney

The third graders from Room 111, Ms. Venuto's Class, did a fantastic job making observations and modeling how grown-up scientists behave in the lab. They worked on a lab called “foam gnomes” and explored the phases of matter while introducing the idea of a chemical reaction.

CHUCK E. Cheese Visit

Mayfair School partnered with Chuck E. Cheese for fun and fundraising. Chuck E. Cheese visited our school and got our students excited about visiting our local Chuck E. Cheese on November 20, 2019.

This event was a great success as families and our children played games and shared laughter.

PRIMARY LEARNING

Ms. DiCicco's Class used their creativity and imagination to create something out of manipulatives! The learning continued as students explored pumpkins using the seeds from inside to count and graph.

Mayfair Sports Schedule

Boys and Girls' basketball practice are Mondays through Thursdays in December. We will be picking a team the week of December 16th. Our first game will be January 8th.

Teacher Profiles

Name: Jasmin Islam, Kindergarten

Favorite Food: Thai food

Favorite thing about working at Mayfair: It's a happy environment!

Favorite Color: Light blue

Favorite game to play as a kid: Tag

Other Fun Fact: I used to sing when I was younger

Name: Ms. McHugh, 8th Grade Language Arts

Favorite Food: Pizza

Favorite thing about working at Mayfair: I love the diversity of my students and the families here. I also feel like my work makes a difference and that is a great feeling. Mayfair is a unique and special place and my experience as a first year teacher here has been so positive. The staff and administrators here are great. You can really tell how much they care for the students at Mayfair. I also feel lucky to be a part of the 8th grade team who are very dedicated and supportive.

Favorite Color: Turquoise

Favorite game to play as a kid: Softball

Other Fun Fact: I'm a certified Yoga Instructor
