

Dear Parents/Guardians,

As your child prepares for Kindergarten there are a few things that we would like them to work on in order to be best prepared to succeed.

1. Work on having your child write his/her name (first and last name). Please write it at least 30 times and send this paper in on the first day. If your child is fluent with writing their name, please have them write one sentence each day about their feelings.
2. Utilize the website <https://www.worksheetworks.com/english/writing/handwriting.html> for daily writing practice.
3. Help your child read 20 minutes a day. This can include reading to them, reading with them or having them read.
4. Utilize the website [www.starfall.com](http://www.starfall.com) daily to review letter sounds.
5. Have your child practice tying his/her shoes, buttoning their pants and zippering their jackets.
